

Important Note

Please note that by downloading and/or installing the typefaces you automatically agree to Samara Keller's End User License Agreement listed on the right hand side.

This license agreement is a legally binding contract between you, the licensee, and Samara Keller. By downloading, installing and/or using this font software, you acknowledge that you understand this license agreement and promise to comply with its terms. If you do not accept the terms, you can not download or request or use the fonts.

You are not authorized to distribute the font software in any way, whether by selling, lending, donating or otherwise.

The Licensee is not purchasing the copyright to the design or any other part of the fonts, but the right to use the fonts as specified in this agreement. The font may be loaded onto a maximum of five personal computers belonging to the same person or within your organization.

"Within your organization" shall mean usage inside your company or organization, across all your business locations, but shall not include usage by clients or other third parties, including selfemployed parties who are working for you but not at one of your business locations. Self-employed third parties temporarily working at one of your business locations on your devices are considered part of your organization.

The font is provided in OFT format and may be used offline and online. The font is currently a Beta of the original product. In showing this document the licensee can claim the final version. Samara Keller is allowed to change the specifics of this agreement when the licensee claims the updated version. The Licensee can make security copies of the fonts as long as they remain inaccessible to external parties.

When embedded in production files, a copy of the fonts may be shared with prepress and printing entities. If any of these external entities manipulate texts using Samara Kellers fonts, an individual license is necessary for those parties.

Any modification of the font software requires written permission by Samara Keller. If permission was granted, the copyright for modified font software remains with Samara Keller, and modified font software too is subject to the terms of this license agreement. Thus, modified font software must not be distributed in any way.

If you do experience any difficulties with the font software, please contact me, and we will do our best to resolve any issues. If this should not be possible, we will be pleased to refund your money, which shall be the limit of our liability in this transaction.

Samara Keller will not be liable for any damages, claims or costs whatsoever or any direct, indirect, special, incidental or consequential damages, business interruption, nor for lost profits, savings or business information, arising out of any use of, or inability to use, the font software.

If you breach any term of this agreement, Samara Keller will immediately terminate the license and right of use. In the event of termination, you must delete the font software and all copies there of.
